This is our last newsletter and we want to thank you for all your support throughout our school year. We appreciate your attendance to all our parent meetings, for they are prepared to inform you as a parent.

This year was very important and full of many accomplishments that are reflected in the children. We saw them mature academically and emotionally. Next year we will continue working with the children who continue in our environment.

We would like to take the time to say good-bye to the children that will be leaving our environment. We love you and will miss you dearly.

Dear Parents:

As the end of the school year come to a close, we are so proud that the children are achieving great things physically, emotionally and academically. Every year has its own challenges and this one was no exception and it is so rewarding to see results. We have a very special group of children who not only work hard, but also have wonderful qualities. We have enjoyed working with each child and for his we are saddened to have to say good-bye to families that will not be returning. We wish you the very best wherever it is you go and know you and your children played a special part of our community.
